

April 2020

To: The Residents of the Town of West Bend

From: James Heipp, Town Chairman

Re: Curb-Side Garbage and Recyclables pick up

We are here within providing additional information related to the Curb-Side Garbage and recyclable pick up program set to begin July 1<sup>st</sup>, 2020.

**The recycling center at the Town Hall will close. The last day of service at the recycling center will be Saturday June 27, 2020.**

Curb-Side pickup will be provided by Choice Disposal Company commencing on July 1, 2020. Each residence outside of either the Silver Lake Sanitary District and/or the Big Cedar Lake PRD will be provided one bin designated for recycling material and one bin designated for garbage. There are three sizes for you to choose from for both garbage and for recyclables.

**\*\*95-gallon bin is approximately 28" x 28" and stands 44" tall with 10" wheels**

**\*\*65-gallon bin is approximately 24" x 24" and stands 43" tall with 10" wheels**

**\*\*45-gallon bin is approximately 21" x 21" and stands 39" tall with 8" wheels**

One of each of these bins are presently on display outside in front of the Town Hall, and residents are welcome to drive by at any time to see them first hand. Additionally, many residents are presently served by Choice Disposal Company and may prefer to keep the bin that they already have. That option is also available.

Those residents within the Silver Lake Sanitary District or the Big Cedar Lake PRD will be provided one bin designated for recycling material.

All bins are provided at NO CHARGE to the resident, and remain the property of Choice Disposal Company.

**\*\*PLEASE COMPLETE AND RETURN THE ENCLOSED FORM TO THE TOWN HALL TO DESIGNATE YOUR CHOICE OF BINS\*\*  
**ONE FOR GARBAGE AND ONE FOR RECYCLABLE**  
**DUE BACK IN OUR OFFICE BY MAY 6<sup>TH</sup>, 2020****

OVER

**Schedule – Pick up day/Written Instructions** – Choice Disposal Company will provide each resident with written information, including an annual calendar of pick up days, holidays, and other information. This written information will accompany the delivery of the designated bins beginning on or about June 15<sup>th</sup>, 2020.

**Placement of Containers** – Items placed for collection must be placed at or within three (3) feet of the curb or public right – of – way before 6:00 a.m. and readily accessible to the contractor on the designated collection day.

**Collection for Handicapped and Elderly** – Upon specific written requests to the Town, special arrangements will be made.

**Types of Recyclables Collected** – Tin & aluminum cans; mixed paper; corrugated cardboard & other container board; glass (clear, brown, and green); newspapers; plastic containers (types 1 through 7); magazines; advertising circulars (junk mail); office paper; appliances (all white goods) and furniture that can be loaded manually by one individual.

**Complaints** – All questions related to the service performed are to be directed to Choice Disposal Company. The Town Hall is not able to address service issues.

**Fee for Service** – Those residential units scheduled to receive regular weekly pick up of garbage in addition to bi-weekly pick up of recyclable material will be charged \$102.00 (6 months of service @ \$17.00/Month) as a separate service on their 2020 tax bills that will be mailed out in December 2020.

Those residential units located within the Silver Lake Sanitary District and/or the Big Cedar Lake PRD, will receive bi-weekly pick up of recyclable material only and will be charged \$42.00 (6 months of service @ \$7.00/Month) as a separate service on their 2020 tax bills that will be mailed out in December 2020.

**Inclusion** – This is a Town Wide all-inclusive service that is provided to each and every residential unit within the Town of West Bend. There are no exclusions or adjustments for part-time or seasonal residents. It is anticipated that, with this service, the Town will be in compliance with the Wisconsin Department of Administration requirements and will save nearly \$40,000 of required recycling costs.
