Dear Town of West Bend Resident,

Badgerland Disposal (f/k/a Choice Disposal, LLC) is proud to announce new curbside collection service for residents in the Town of West Bend beginning the week of July 3rd, 2020. Badgerland Disposal will provide recycling and refuse collection for all residents. Under the new curbside collection program, each resident will receive a new poly-cart for their recyclables and a poly-cart for their trash. **All containers will be delivered to each household by June 30, 2020.**

Starting Friday, July 3rd 2020 (*please do not set out containers prior to that date*), please roll the containers to the end of the driveway on collection day. **Containers must be 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right. Please remember: **Red lid = Recycle. Your collection day will be on Fridays. Feel free to contact us by calling 608-580-0580 or via email to townservice@badgerlanddisposal.com.**
